President's Eyes Improving.

Boston, July 8.—President Roosevelt's eyes are wonderfully improving in spite of all that they have to go through with in the strenuous pace, declared Dr. Thomas Morgan. STRIKE LIKELY TO SPREAD.

Drivers of Baggage and Parcel Wagons in Chicago May Quit.

Chicago, July 8.—A spread of the teamsters' strike on baggage and parcel companies was possible today as a result of the action of the teamsters joint council in directing all baggage and parcel delivery wagons to refuse deliveries to strike-bound concerns.

While the joint council was in session the department store drivers union voted overwhelmingly to continue the strike indefinitely. Action concerning deliveries by the express companies was taken as a result of the announcement by Judge Holdom today that he would issue injunctions against compelling them to deliver goods to "struck houses." Although the express companies had been endeavoring to prevent a clash with their drivers, it was believed they could not avoid asking them to make deliveries to strike-bound firms. The firms that would be affected by the injunction employ about 45 drivers. The joint council also decided to send out 2,000 strikers today to compel union teamsters always to make contributions to the strike fund.
